## UNIFORM POLICY

Underdale High School takes great pride in its uniform, which is also strongly supported by our school community. Students are expected to wear correct uniform at all times between leaving home in the morning and arriving home in the afternoon. The wearing of the school uniform creates a sense of identity within our school community and assists us in managing the ongoing well-being and safety of our students. We seek parent support to ensure that their child is wearing the correct uniform each morning. (Students need to present an explanatory note in their planner, if they are out of uniform.)
