School Uniform Policy

The Parafield Gardens High School Uniform is an important aspect of our Philosophy and Objectives:

Wellbeing	Positive relationships, belonging, continuous improvement, global awareness.
Learning	A challenging curriculum with high expectations that meets the needs of all students.
Pathways	Every student has a pathway and aspirations are developed and nurtured.

- ❖ The school uniform distinctly helps create a sense of identity, pride and belonging.
- ❖ The school uniform ensures that we know who belongs to our school.
- ❖ The school recognises the diversity of its community and respects the cultural and religious beliefs of its members.
- ❖ The quality range of options available allows students to dress casually and comfortably, as well as formally when the need arises.
- ❖ All students from Year 8 - 13 are required to wear the School Uniform.

Why wear a uniform?

- Security:** When all our students are in uniform, non school members are easily identified.
- Image:** It is important that our students reinforce the positive image our school has in the community. Uniform helps students present a positive image.
- Cost:** As parents would realise, the cost of teenage clothing can be enormous. By having a school uniform we keep the cost down considerably.
